RESPONSE TO OFFICE ACTION DATED MARCH 9, 2006

This paper is submitted in response to the First Office Action dated March 9, 2006 for the above-identified application. The Office Action set an initial three-month shortened statutory period for response and this response is filed within two months and one day of that period.

AMENDMENT TO "BACKGROUND OF THE INVENTION"

The following six paragraphs are to be inserted in the section "BACKGROUND OF THE INVENTION", to better disclose the invention and separate it from ALL other patents in the World. I hereby declare that the included FACTS were discovered by me and me alone. To COMPLETELY SOLVE a problem, one MUST FIRST COMPLETELY understand the problem. Up until that MOMENT, one is ONLY "treating" the SYMPTOMS of the PROBLEM. Which is EXACTLY what ALL BEFORE ME are doing. I offer the COMPLETE CURE for ALL of the problems they are encountering.
